

Ripley Historic District
Certificate of Appropriateness
Application

We are glad that you have chosen to improve a building in Ripley, and we are here to assist you in taking the greatest advantage of your historic property renovation. All properties residing in the City of Ripley's Historic District are subject to the following procedures before work can begin.

1) Bring a completed Application for Certificate of Appropriateness, along with your Supporting Materials to the regularly scheduled meeting of the Ripley Historic Preservation Commission. The Ripley HPC meets at Noon on the First Thursday of every month in the Board Room of Ripley City Hall at 500 S. Main St.

The Application, along with the Checklist for Supporting Materials can be obtained at The City of Ripley offices located at 500 S. Main St, or at the Ripley Main Street office located at 104 S. Main St., or downloaded from <http://hpc.ripley.ms/>

2) Once the Ripley HPC has approved your plan, we will issue you a Certificate of Appropriateness which you may then present to The City Building Inspector in order to obtain a building permit.

Please review the information at <http://www.cr.nps.gov/hps/tps/tax/rhb/index.htm> if you are interested in performing a restoration that could earn you federal income tax credit.

If you have any questions regarding the procedure, please contact The Ripley HPC Chair, Jerry Windham.
